PREMIUM QUALITY  
MADE IN GERMANY

Develle **Quick Eyelash Serum** contains a *double strength complex of lash enhancing ingredients* which ensures thicker, longer and fuller eyelashes. The highly concentrated complex of ingredients not only stimulates lash growth but also enhances pigmentation and prolongs lash growth.

### Quick Eyelash Serum – The Facts

- Contains 7ml of serum
- Double complex of ingredients
- Suitable for eyelashes and eyebrows
- No side-effects
- High quality ingredients
- Without parabens
- 70% longer eyelashes
- 60% thicker eyelashes
- Developed and manufactured without animal testing

Develle **Supreme Eyelash Serum** is a unique eyelash serum consisting of a special combination of two highly effective lash enhancing ingredients. It contains *X-Lash and Prostaglandin* in a balanced combination which helps to achieve voluminous eyelashes.

### Supreme Eyelash Serum – The Facts

- Contains 7ml of serum
- Highly effective ingredients Prostaglandin and XLash
- Suitable for eyelashes and eyebrows
- No side-effects
- Highly effective, nourishing ingredients
- Without parabens
- 70% longer eyelashes
- 60% thicker eyelashes
- Developed and manufactured without animal testing

Develle **Sensitive Eyelash Serum** on the other hand makes use of the special lash growth ingredient *SymPeptide Xlash* and works entirely without prostaglandin.

### Sensitive Eyelash Serum – The Facts

- Contains 7ml of serum
- With the lash growth ingredient SymPeptide XLash
- Without prostaglandin
- No Side-effects
- Suitable for eyelashes and eyebrows
- 70% longer eyelashes
- 60% thicker eyelashes
- Developed and manufactured without animal testing
- Without parabens
